„Okay, who was it?" James asked, trying to stay calm.

"Who was what, James?" Lars was all innocence.

"What do you mean, James?" Kirk looked innocently, too.

James exploded and pointed at an empty paper bag on the table.

"Who has eaten those three doughnuts with the chocolate icing?" he yelled. "They have been mine! I wanted to eat them! After I've killed the fucker who ate them."

Lars cleared his throat.

"This might be a problem."

"WHAT?"

"Yes." Lars sighed.

Kirk and Jason desperately stared down.

"You'll have to kill the fucking rest of the band to take revenge."
